Trip J Foundation Safe Summer Concert

Safe Summer 2024 was lit! Thanks to our partner Envision Dance and our MC Elliott Kelly Jr for helping make this violence prevention mental health wellness concert a success. We had door prizes for audience participants to win and we were able to fill the performers up with gift cards to fun places like Malibu Jacks, SkyZone and other trampoline fun spots! Of course we want to thank all our sponsors Rooster's, Cheddars, St. Matthew Cinemark, Tinsletown, O'Charleys and Maker's Mark for donating a tour package to help raise money for the Trip J Foundation.

Pebble

New Internship Program Pebble has launched a comprehensive internship program designed to provide hands-on experience and professional development in various roles, including Product Management, Project Management, UI/UX Design, and Full Stack Development. The program focuses on equipping interns with practical skills and knowledge, contributing to significant projects, and building professional connections within the tech industry.

User Experience and User Interface Research We have initiated extensive user experience (UX) and user interface (UI) research to enhance our platform's usability and functionality. This research aims to gather insights that will drive the development of a seamless, user-friendly interface for our event management and marketplace solutions.

Recent Achievements

- **Graduated Built in Miami:** Pebble successfully graduated from the Built in Miami Tech Accelerator, showcasing our commitment to innovation and growth.
- **Certification from the Mayor of Miami:** We received a certification from the Mayor of Miami, recognizing our contributions to the tech community and our efforts to drive economic growth in the region.
- **Selected for Startup World Cup Miami:** Pebble has been selected as one of the Top 60 startups for the Startup World Cup Miami 2024, highlighting our potential and industry impact.
