## Trip J Goes Viral with Rob Landes Violin Virtuoso

Wow! As the 2024 summer comes to an end we have 3 Farmers Market performances under our belt! We met Rob Landes during our time performing at the St. Matthew Farmer's Market. Who we thought was just some random guy wanting to jam with us turned out to be Rob Landes violin virtuoso viral sensation with just "millions of followers"! We played "Billie Jean" by Michael Jackson, it went so well we ended up doing another jam together! Check out @RobLandes on YouTube!

We had a great time performing at Waterfront Wednesday with Elliott Lanier who also was a LPM Young Showcase finalist! This was a 15 minute show that included a song written by Elliott Lanier, music created and produced by Trip J Entertainment called the “The Math’s Not Mathing”. The show went really well and the crowd was amazed by such an awesome performnace!
